

Tax Credit Certification

This certificate confirms that your GeoExcel geothermal equipment meets or exceeds Energy Star standards.
By qualifying, you are eligible for federal income tax credits.

Unit Model Number: _____

Unit Serial Number: _____

Please view page 2 for a complete listing of qualifying models.

				EC070		EM070	

Refer to efficiencies listed with Air-Condition Heating and Refrigeration Institute (AHRI/ARI)
Closed Loop Geothermal System: Efficiency > 14.1 EER & 3.3 COP
Open Loop Geothermal System: Efficiency > 16.2 EER & 3.6 COP
